

MOORE MARKHAMS HAWKES BAY

PASSIONATE ABOUT GROWING SUCCESS IN OUR COMMUNITY

FOR OVER A CENTURY, WE'VE BEEN PART OF THE HAWKE'S BAY COMMUNITY.

Moore Markhams Hawkes Bay is an independently owned firm in the Moore Global chartered accountancy and business advisory network.

Part of the Hawke's Bay community since 1912, our firm has five directors and around 20 staff. In 2010, along with our Markhams New Zealand network firms, Markhams Hawkes Bay joined forces with Moore Stephens, one of the world's major accounting and consulting associations.

In 2019, when Moore Stephens became Moore, we chose to retain Markhams – a name synonymous with business success in this region and the country.

Over the years our name might have changed, but the passion we have for our clients remains. Your success is our most important objective. As a firm we are committed to establishing strong relationships based on understanding, trust and reliability.

Moore Markhams is strategically placed to assist businesses in Hawke's Bay – and we understand the challenges our region faces. Our reputation for providing astute and proactive financial advice to clients has positioned us as valued business partners, with the capacity to deliver positive outcomes.

Our local market knowledge, backed by the Moore Markhams network nationally, and our international network of expertise will give your enterprise the leading edge, wherever you're doing business.
