

ABOUT US

Large enough to provide you with a full, professional service, but not so large that you won't get the top-level individual attention you deserve, we deliver the local market knowledge you want, backed by a New Zealand and global network of expertise and knowledge that you need to succeed.

TOBY LAIDLAW

Director

After studying at both Otago and Auckland Universities, I graduated with a BCom double majoring in Accounting and Commercial Law. I then joined Moore Markhams as a graduate in 2011, subsequently becoming a Chartered Accountant in 2014.

During my time with Moore Markhams, I have focused on business advisory services including, but not limited to, succession planning, acquisition assistance, valuation, due diligence, and retirement planning. I started my career heavily involved in the healthcare sector, and now have broadened to a wider array of industries throughout New Zealand. I pride myself in providing practical objective advice to all my clients.

I also work effectively as a virtual CFO for growing businesses that aren't yet at a stage to employ a fulltime CFO.

Outside of work, I love spending time with my partner and two stepdaughters, who keep me on my toes. I am an avid golf enthusiast enjoying a round as often as I can.
