

PHARMACY INDUSTRY SPECIALISTS

EXPERIENCE AND BRIGHT IDEAS TO GROW

September 2022

INDEPTH INDUSTRY KNOWLEDGE FROM PROFESSIONALS THAT CARE

We know what it takes to run a profitable pharmacy. Our pharmacy specialists understand the complexities of the industry. Over many years we have developed in-depth financial knowledge and combine this experience with bright ideas.

We have established long-term working relationships with a significant number of New Zealand's pharmacy businesses, and excellent relationships with key suppliers and industry specialists.

We're endorsed as the preferred supplier of financial and accounting services for members of The Pharmacy Guild of New Zealand (Inc).

Our pharmacy specialists can assist you with:

- annual and periodic accounts preparation
- tax preparation and advice
- budgeting and cash flows
- pharmacy valuations
- sale and purchase negotiations
- pharmacy due diligence
- assisting with financing
- structuring advice for new and existing businesses
- lease negotiations
- amalgamations and mergers.

"I was fortunate to have the right people around me who guided this process for me. I was over the moon with Moore Markhams. Our Markhams advisor was approachable, available and patient. There were a lot of concepts we did not know how to wrap our head around. I love the fact that I'm treated as a human being and not looked at as my spreadsheet. I definitely appreciated being surrounded with their support and sound advice."
