MOORE STEPHENS

ACCOUNTANTS AND ADVISORS

Ever wanted more control over your accounting bill? If you are currently using or considering switching to the Xero accounting software system, we are able to offer you a fixed price on your accounting and taxation compliance needs.

With our help, moving to our Barrister & Solicitor Xero Monthly Pricing Plan is quick and straightforward. We'll guide you through setting up Xero for your practice and organise user-friendly training. We will reconcile bank transactions for all bank accounts on a monthly basis, and if you are a sole Barrister we can load all relevant debtor invoices. Once we have done this, we will review the GST return in Xero to see if there are any obvious adjustments required, and then file the GST returns on your behalf.

This will help to create management reports through Xero, allowing you to keep a close and up to date eye on how your business is performing on a monthly basis.

We can also advise on suitable add-on applications that integrate with Xero, such as time tracking systems like Harvest and WorkflowMax.
